

## Buy-side Consultancy Pentagon Appoints Global Services Lead

**London, 19 February 2018:** Pentagon Consulting, a leading provider of advisory and delivery services to the investment management industry, is pleased to announce that Thomas Eikrem has joined the company as Senior Vice President - Global Services.

Thomas brings over 20 years' experience in the financial sector, having spent the last 22 years with leading software provider SimCorp. For the last 15 years Thomas has been heading up Professional Services from the UK, looking after projects, prospects and clients in the UK, Ireland and the Middle East. Prior to moving to the UK in 2001, Thomas managed projects in the Nordics, Germany and Hong Kong.

"Having worked with Pentagon since 2004, I am delighted to join the firm, especially during these times of change and transformation. It will be exciting to look after a portfolio of services for a company focusing on growth, quality and pragmatic delivery", said Thomas Eikrem.

Matthew Peacock, Executive Chairman, commented: "We are delighted Thomas has joined Pentagon where his proven track record and vast experience will make a significant contribution to our services offering. We look forward to continued growth of our business and global reputation within the buy side investment management industry".
